

# A Living Memorial

St. Clair Region  
Conservation Foundation

## St. Clair Region Conservation Foundation Memorial Tree Fund

You can have a tree dedicated in memory of a loved one in a Conservation Area of your choice by filling in the attached form and mailing it to the St. Clair Region Conservation Foundation.

A tree is a most fitting tribute. With a tree is planted an idea, a hope and a challenge. It fosters the idea that one can remember through living trees and forests. It provides a hope for the future of our environment and, most important, it challenges each and everyone of us to take an active part in protecting our natural heritage.

The St. Clair Region Conservation Foundation is a non-profit organization dedicated to the conservation of the natural resources of the St. Clair region.
