Trails are natural and may be uneven and slippery. Please stay on marked trails and be aware of exposed roots and rocks.

Be prepared for the weather and how it may affect your visit.

Keep dogs on a 2 metre (6 foot) or shorter leash and under control at all times. Please pick up after your dog.

No winter trail maintenance.

St. Clair Region Conservation Authority Trail Ratings

* PLEASE NOTE: Assigned trail ratings are a guideline only. Users must assess their own technical ability in combination with their own fitness level before entering onto any trail on the property.

Trail is generally flat with wide turns and may have some gently rolling sections. Surface is firm and stable. Obstacles such as tree roots and rocks are few and avoidable with minimal to no use of stairs. Some experience recommended.

Trail has long, steep climbs with sharp turns. Surface is generally hard-packed; likely includes sections with loose material or unstable surface. Unavoidable obstacles and stairs are likely present. Experience recommended.
